Have you ordered your “Clicks” yet?

Clicks are great news for addi turbo
needle lovers!

This new system provides 10 different sizes of addi Turbo™. Click tips require no tools to change; simply insert the cord deep into the tip, twist and release. The tips will remain secure until you change them.

Click's set contains

- 10 tips (US 4 - US 15),
- three different lengths of the new, extremely pliable blue cord (24", 32" and 40"),
- one connector piece which helps to either store stitches or combine your cords.
